Amendment dated November 12, 2007
Reply to Office Action of July 12, 2007

Docket No.: 47624DIV(71417)

REMARKS

Claims 1-49, 51, 53, 54, 64, 69, 71, and 79-83 have been cancelled without prejudice or disclaimer; and claims 52, 72 and 84 are amended. Accordingly, claims 50, 52, 55-63, 65-68, 70, 72-78, and 84 will be pending in the application upon entry of the amendments presented herein.

As an initial matter, Applicants thank the Examiner for speaking with them regarding the Restriction Requirement. Further to that discussion, Applicants have amended the claims to recite the combination of VEGF and GM-CSF. Based on Applicants' discussion with the Examiner, it is Applicants' understanding that the present amendment renders the Restriction Requirement mailed July 12, 2007 moot. If the Examiner does not agree, he is respectfully requested to contact Applicants' agent to clarify this matter, prior to sending an Office action.

Support for the amendment is found in the specification and claims as originally filed. No new matter has been added.
